

# Robin Hood

**SYNOPSIS** Robin Hood and his Merry Men have moved away from illegal forms of philanthropy due to heightened security concerns and branched into charity work. The Sheriff, and his assistant Lauren Order, are still after Robin Hood, officially because of his shady past. Unofficially the Sheriff wants to lock up Robin Hood because the Sheriff wants to marry Lady Marion. Lady Marion is secretly in love with Robin Hood. Robin Hood is secretly in love with Lady Marion. Robin Hood and his Merry Men seek out Friar Tuck for advice. Friar Tuck is an Elvis-impersonating-marriage celebrant in his spare time. Much mayhem and madness ensues, resulting in an archery competition to see who will marry Lady Marion. And everyone lives happily ever after&hellip; or so you would think.
